

Student's name and surname:

Student's number:

The program for summer vocational training for students of the 5th year of the 6MD Program at the Faculty of Medicine of the Medical University of Lodz

I. Vocational training organization

- 1. Summer training is obligatory, lasts for 4 weeks (120 hours) and includes:
- practice in the field of Obstetrics and Gynecology (60 hrs),
- practice in the field of Surgery (60 hrs).
2. The student should work 6-hour duties for all shifts; the number of night duties cannot be more than three per week.
3. The training must be conducted according to the program presented below.
4. The training must be credited with a grade.
5. Credit with a grade, confirmed by the head of the clinic or other authorized person, will be recorded in the SUMMER TRAINING CHART on the basis of the student's attendance and skills acquired.
6. Student absence during the program may only be justified by a medical certificate. Illness longer than 1 week will result in the program being extended by an appropriate period.
7. Upon the completion of the training, the Student's Summer Training Chart must be submitted to the Dean's Office before the end of the summer retake session.

II. Vocational training program in the field of OBSTETRICS AND GYNECOLOGY:

- 1. Familiarization with the work of a obstetrics and gynecology ward.
2. Learning basic medical activities associated with providing care for women treated at the department of obstetrics and gynecology.
3. Familiarization with the functioning of a labor delivery room and an obstetric unit patient care area.
4. Participation in the assessment of labor stages.
5. Assisting doctors in perineum suturing and surgery procedures.

I certify the completion of summer vocational training in the field of OBSTETRICS AND GYNECOLOGY according to the program presented above in
