I want to prepare for my studies

8 month Premedical Course • PREMED

- ⦿ you want to see what studying at the Medical University looks like and you want an easier start to your academic journey
- ⦿ you enjoy science subjects
- ⦿ you think about becoming a doctor or a dentist

How do I start?

- ➔ prepare your High School documents - remember you should have 2 science subjects on advanced level on your transcript
- ➔ check whether you need to provide an English language certificate:
<https://studymed.umed.pl/admission/premed/admission-criteria/>
- ➔ and whether you should have **information from NAWA** (Polish National Agency for Academic Exchange):
[Secondary school certificate - NAWA](#)

We will calculate your points based on two science subjects and verify whether you meet the requirements outlined on our website. You will receive email updates from us to guide you through the next steps of the application process.

Your adventure with MUL starts here:
